About Me

I am a motivated individual with a passion for growth and learning. Always seeking opportunities to contribute and develop, I thrive in dynamic environments. I value collaboration, effective communication, and problem-solving, and I am eager to use my skills to make a positive impact.

Skills

- Team Collaboration
- Problem-Solving
- Adaptability
- Time Management
- Attention to Detail

Education

- Matriculation**
Nishat High School 2020-2022
Completed matriculation in the science stream, specializing in biology. Gained a strong foundation in scientific principles, critical thinking, and problem-solving, preparing for further academic pursuits in the field of science.
- FSC Pre-Medical**
Punjab College 2022-2024
Completed FSC Pre-Medical with a focus on biology, chemistry, and physics. Developed a deeper understanding of scientific concepts and analytical skills, preparing for higher education in medical and scientific fields.
- BS Computer Science**
NFC IET 2024-Present
Currently in the 2nd semester, studying the fundamentals of computer science, including programming, software development, and problem-solving. Developing analytical skills and gaining hands-on experience to pursue a career in technology.

Experience

- Basic Web Development**
Acquired fundamental knowledge of HTML and CSS, learning to create simple web pages with basic structure and layout. Focused on building straightforward designs and ensuring clean, readable code.
- WordPress Site Management**
Gained basic experience in managing WordPress websites, including content updates, minor theme adjustments, and installing plugins to improve site functionality.
- Programming**
Learned basic programming concepts through C and started exploring Java, focusing on variables, loops, and simple syntax to build foundational skills.
